**Dear Parent**

**CIRCULAR NO.08/07**

**30<sup>th</sup> May 2007**

Before we see the end of Season 2006/07, we are informing you the following:

## **Summer Football Fun School**

This is planned for 5<sup>th</sup> July to 9<sup>th</sup> August 2007. You should have received our circular with relative details and if you intend sending your child please fill in the application form immediately and pass it on to the undersigned or leave it at Sports Club Bar. Application forms are also available at the Club. Please note that all sessions will take place on the present U.E.F.A. artificial pitch at the lower court and at the planned artificial pitch at the upper court. First preference is being given to our registered children but other children are welcome.

## **The New Artificial Turf pitch at the upper court, Sports Club**

The plans for this project are progressing well and as scheduled. As we have informed you previously, funding for this project is being partly made from advanced registration fees for Season 2007/08. Whilst we thank all those who have cooperated with our call for early payment, we urge the remaining parents to do likewise, remember you will be saving LM10.00 if you pay in time besides helping us improve the facilities where your child trains/plays. Other projects are being planned.

## **Wales Trip**

Special training sessions have started for the children making this trip and participating in the 'International Welsh Cup' Tournament visiting the lovely town of Aberyswyth, Wales in July of this year. A final meeting is planned for Friday 15<sup>th</sup> June, to update the parents/children with the trip's programme etc.

## **Annual presentation dinner**

This event has been re-scheduled for **Saturday 14th July 2007**. A separate circular is attached with all the necessary details. Venue and Prices have remained the same as for the last two years. As usual we urge you to book early your tickets for this event so that we will have a successful evening same as previous years. We would like to see all Nursery children for this event who will also be awarded with mementos and certificates with group photos, serving as a nice souvenir of Season 2006/07.

## **10<sup>th</sup> Anniversary programme**

Since this year happens to be the 10<sup>th</sup> Anniversary since our Nursery was founded, a programme of events is being planned for September 2007. The main event on this programme will be a Holy Mass celebrated by the Archbishop, Mgr. Paul Cremona on Monday, 10<sup>th</sup> September at Pembroke Church. The full programme including presentations of commemorative medals by special guests to all those who have made significant contributions in different forms to our Nursery, will soon be published.

We sincerely hope that you will have a well earned rest this summer and would be very pleased to see you all at the Sports Club during the Summer months, whilst we thank you all for your support.

**Yours faithfully- Yvonne Debono/ Administrator/Secretary**
