

CIRCULAR NO.01- 2007/08

Dear Parent

12th August 2007

Although we are still in the middle of the summer holidays, our Nursery is planning and programming activities for Season 2007/08. Please take note of the following important items which are mainly related to your participation and that of your child in our Football Nursery's training & social programme.

10th Anniversary & Opening Night

As you may be aware this year happens to be the 10th Anniversary of the foundation of our Football Nursery and a special program has been prepared by the committee set up for this purpose to celebrate this occasion. Full details of the activities are shown on the enclosed programme and we ask you to keep the **10th September** evening free when the Archbishop, H.E. Paul Cremona will be celebrating Thanksgiving Mass amongst other items on the Program.

On the same evening we shall officially open Season 2007/08, giving you the highlights of the new season's activities whilst you can also meet your child's coaches during the evening at the reception at the Sports club. **All Nursery children are expected to participate in this function dressed in the Nursery uniform and all parents are invited to attend.**

Inauguration of New Artificial Turf Pitch

We had informed you towards the end of last season that an artificial turf pitch was to be constructed at the upper court at the Sports Club. We are pleased to inform you that this pitch has now been completed and fully functional. All our boys and girls will train on this pitch and the UEFA pitch during the coming season, twice a week. In fact those who attended Summer School have enjoyed their sessions tremendously playing on these 1st class pitches. Although our Nursery is making a big sacrifice in forking out the money for these pitches and many coaches/committee people are working very hard to finalise these projects (i.e. construction of fences/painting of the surrounding perimeter/poles etc), we are sure that all our children will be benefiting from this upgrading of our facilities. We are also confident that you will continue helping us in funding this and the other projects in the pipeline. Please note that the new pitch will also be officially inaugurated on the 10th September 2007 by the Archbishop himself.

Registration fees

The majority of the parents have responded to our call and paid the registration/training fees for season 2007/08 before end of May '07 for which they benefited from a LM10.00 special discount. We would therefore ask the remaining parents to pay these fees by the end of September 2007, if they intend having their child participate in our training/social programme for the new season. These funds are desperately needed to help us meet our commitments.

Training Schedule/Regulations

Please make sure you pick up a copy of your child's training schedule, the Nursery regulations and other documents on the 10th September 2007 function.

Best Regards

Yvonne Debono/Administrator/Secretary
